PROJECT REPORT TEMPLATE
EDUCONNECT LEARNING CENTER

**1.Introduction**:

1.1 overview

EduConnect Learning Center, an educational institution, uses Zoho Books to manage their donations, track expenses, and handle grant finances. They can generate donor receipts, track expenses related to educational programs, and generate financial reports. Zoho Books helps them maintain financial transparency and accountability.
1.2 purpose

Educonnect learning center is an innovative education-focused web application that is changing the way parents, students and educators discover, research and review schools and educational programs.
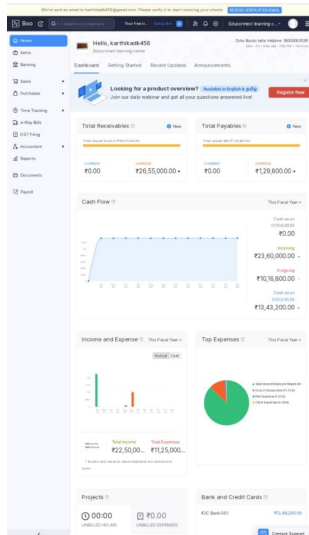

2.Problem Definition & Design Thinking

2.1 Empathy Map

2.2 Ideation & Brainstorming Map

3 .RESULT

4. ADVANTAGES & DISADVANTAGES
4.1 Advantage
Learning center are used to force students to take ownership of their learning, but they allow you to better spend your time helping the students who need it.
4.2 Disadvantage
Learning with not as much structure or discipline as a traditional method, causing students to feel overwhelemed and maybe not pull as much from learning as they normally would.
5. APPLICATIONS
There are more learnig institutions here, most of them are there to make profit and not to teach, they don't care about the students. Our Educonnect learning center aims to solve this problem and provide good and useful education to students in a great way and help them to achieve their goals.
6 .CONCLUSIONS
Learning center includes considering the goals for learning and goals for students.In conclusion, learning center have significantly shaped the global economy and brought students together from all over the world.
7 .FUTURE SCOPE
Digital learning not only encompasses various spheres of a student's life but has also constantly helped present and future employees as well as employers in gaining knowledge out of the education system and akin to latest and current developments.
